

**ME-OW**

**GLAD TO BE ME**

I NEVER SAW A PIG FLYING LIKE A BIRD  
TO SEE A BIRD WITH TEETH WOULD SURELY BE  
ABSURD  
I NEVER HEARD A HORSE GET HORSE FROM  
TRYIN' TO SING  
I NEVER SAW A TURKEY WISH THAT HE WAS  
GREEN

I'M SO GLAD TO BE  
JUST WHO GOD MADE ME  
I ENVY NOBODY  
CAUSE GOD MADE ME SPECIAL AS CAN BE

YOU NEVER SAW A MOUSE MEOWIN' LIKE A CAT  
YOU NEVER MET A SNAKE WHO WANTED TO BE  
FAT  
YOU NEVER SAW A FISH WISH HE COULD BE A  
FROG  
YOU NEVER HEARD A TURTLE BARKIN' LIKE A  
DOG

**BARK BARK**

# Glad to Be Me

One day I went to school

And met to my surprise

A new kid just my age

With muscles twice my size

And when I looked at him  
I wished that I could be  
Big and strong and tall  
Instead of little me  
But then I thought....

I never saw a pig  
Flying like a bird  
To see a bird with teeth  
Would surely be absurd

I never heard a horse  
Get hoarse from tryin' to sing

I never saw a turkey  
Wish that he was green

And I'm so glad to be  
Just who God made me  
I envy nobody

'Cause God made me special as can be

So if you ever wish  
That you were someone else  
Just learn to be content  
Just to be yourself

Remember there is no one

Anywhere like you

So if you need advice

I'll tell you what to do

Just think of this...

You never saw a mouse

Meowin' like a cat

You never met a snake

Who wanted to be fat

You never saw a fish  
Wish he could be a frog  
You never heard a turtle  
Barkin' like a dog

And I'm so glad to be  
Just who God made me  
I envy nobody

'Cause God made me special as can be

I envy nobody

Make God G-L-A-D

Sing in H-A-R-MONY

We should all L-O-V-E

And I'm so glad to be  
Just who God made me  
I envy nobody

'Cause God made me special as can be

I'm thankful that  
God made me to be me  
There's no one else  
That I would rather be  
Just me!
