# I Was Made for Love

Like a meatball and a noodle,  
Like a Yankee and a doodle,  
Like a party and a favor,  
Like an alli and a gator,

Like a black-eyed and a pea,  
Like a doggy and a flea,  
I was made for love,  
And love was made for me.

God made me,  
Just to give His love to  
Just 'cause that's the way  
He wants to be

God gave me a heart  
That's made to love, too  
So I can love Him  
Just like He loves me

Like a cowboy and a pony,  
Like a sandwich and baloney,  
Like an Indian in a teepee,  
Like a pillow when you're sleepy

Like a hanky and a sneeze  
Like a thank-y and a please  
I was made for love,  
And love was made for me.

God made me,  
Just to give His love to  
Just 'cause that's the way  
He wants to be

God gave me a heart  
That's made to love, too  
So I can love Him  
Just like He loves me

Like a lolly and pop,  
Like a flippity and flop,  
Like a flower and petal,  
Like a hero and medal,

Like a bumble and bee,  
Like a band-aid and a knee,  
I was made for love,  
And love was made for me.
