

JOY

Joy from me, joy from you
Joy is something that we do.
Joy to me, joy to you
And others, too.

Give away pure delight,
Make someone feel alright.
That's what joy really is, let's
Learn to give.

Everybody seems to want
To have joy everyday.
Lots of folks don't even
Know it was made to give away.

Joy

Joy from me, joy from you
Joy is something that we do
Joy to me, joy to you
And others, too

Give away pure delight
Make someone feel alright
That's what joy really is
Let's learn to give
La, La, La...

Everybody seems to want
To have joy every day
Lots of folks don't even know
It was made to give away

Give away pure delight
Make someone feel alright
That's what joy really is
Let's learn to give
