

KINDNESS

When I treat you kindly,
It makes you happy—
Changes you inside.
Makes you feel important,
Loved and special
And it makes you kind.

Isn't God good when He asks us
Just to love like He does?
Isn't God good when He asks us
Just to be so kind?

When I treat you kindly,
It makes you thankful—
Changes you inside.
Makes you feel encouraged,
Dear and precious
And it makes you kind.
