

LOVE NEVER FAILS

TOYS CAN BREAK IF YOU DON'T
TAKE
GOOD CARE OF THEM YOU
KNOW
BALLOONS CAN POP AND
CLOCKS MAY STOP
AND THIS JUST GOES TO SHOW
THAT IN THE END YOU CAN'T
DEPEND
ON SOMETHING WEAK AND
FRAIL

BUT YOU CAN'T GO WRONG IF
YOU WILL COUNT ON LOVE TO
NEVER FAIL

LOVE NEVER FAILS, LOVE
NEVER FAILS
THERE IS NOTHING LOVE CAN'T
DO
AREN'T YOU GLAD THAT GOD
LOVES YOU?

Love Never Fails

Toys can break if you don't take
Good care of them, you know
Balloons can pop
And clocks may stop
And this just goes to show

That in the end you can't depend
On something weak and frail
But you can't go wrong
If you will count on
Love to never fail

Love never fails, Love never fails

There is nothing love can't do

Aren't you glad that God loves you?

When you grow tall
Your clothes grow small
They fade as they get old

Ice cream will melt
Unless it's kept
In a place that's very cold

Yes, time it brings
A change to things
You just can't ever tell
But God remains
And stays the same
His love will never fail

Love never fails, Love never fails

There is nothing love can't do

Aren't you glad that God loves you?

(music, then repeat)

There is nothing love can't do
Aren't you glad that God loves you?
