

SELF CONTROL

Once I had a knot in my shoe
And it would not come loose.
I tried and tried and pried and pried,
But it would not come loose.
I got so mad I kicked the door and
Stubbed my little toe. Ohhhh,
If only I had learned a little
Bit of self-control.

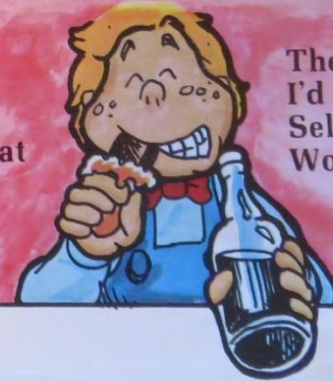

Self-control is just
Controlling myself.
It's listening to my
Heart, and doing
What is smart.
Self-control is the
Best way I can go
So I think that I'll
Control myself.

I never liked to brush
My teeth, I wished that
I could stop.

I'd have more time for
Candy bars and drinking
soda pop.
But soon my teeth would
Hurt so bad from all

The cavities, oh me!
I'd better learn some
Self-control, so this
Won't happen to me!

Self-control

It's listening to my heart

And doing what is smart

Self-control
